The following city ordinances direct occupants or other persons having the care of a building to remove snow and ice from the bordering sidewalks or land

---

9.08.110. Snow removal.

No owner, occupant or other person having the care of any building or lot of land bordering on any street, square or public place in the city, where there is a sidewalk, shall fail, within five hours of daylight, after the ceasing to fall of any snow, to cause the same to be removed from the sidewalk adjoining such building or lot, and in all streets where there is no curbstone set, a pathway, at least four feet wide, shall be made on and along the sidewalk aforesaid for the convenience of pedestrians. (Prior Code §678.12)

9.08.120. Ice removal.

Whenever any sidewalk, or any part thereof, adjoining any building or lot of land on any street is encumbered with ice, no owner, occupant or other person having the care of such building or lot shall fail to cause such sidewalks to be made safe and convenient, by removing the ice therefrom or by covering the same with sand or ashes within four hours during the daytime. (Prior Code §678.12)

City of Newport

Rhode Island

SNOW AND ICE REMOVAL REQUIREMENTS

For the protection and safety of its citizens and visitors, the City of Newport will be enforcing the requirement for timely removal of Snow at the conclusion of any snow event. Ice must be continuously removed.
