

Third St @ Naval Hospital
05-13319-OF

We received a complaint of speeding on Third St at the Naval Hospital and stop sign violations in the Point neighborhood.

A Directed Enforcement Operation was initiated and the complaint was posted in roll call. The SMART VMS trailer was deployed from 12/28/05 to 1/18/06 on Third at the Naval Hospital. Fourteen vehicles were stopped in that area in the same time period and warnings were issued. There have been no accidents involving speed on this section of Third St from 1/1/05 to 1/1/06.

SMART VMS trailer was recording vehicle speeds during the time it was deployed. The 85th percentile of vehicles was traveling and average of 29 mph, which is an acceptable rate.
