**06-1328-OF**

On 2/6/06 one of our Community Police Officers held a neighborhood meeting. A complaint of speeding vehicles and stop sign violations was raised in the Salve area. We initiated a Directed Enforcement Operation and I assigned Traffic Officers to monitor the area. Officers spent seven to eight hours monitoring the area and found no violations.

There have only been 6 accidents in the Salve area (excluding private property) from 1/1/04 to 4/12/06.
