Informational Meeting **Thames St & Wellington Ave. Sewer Rehabilitation Project**

The City's Department of Utilities is in the initial phases of designing critical improvements to the Thames Street (Touro Street to Morton Avenue) and Wellington Avenue sanitary sewer interceptors. The City recognizes that the residents and businesses along these two streets will be affected by these improvement projects and would like to invite all interested parties to become involved in the project. The Department of Utilities will schedule a series of public informational meetings to share project information and to gather input from interested parties. The first public meeting to provide an overview of the project and rehabilitation options is scheduled for:

Date: Thursday, December 10, 2009

Location: City Hall- Council Chambers, 2nd Floor
43 Broadway

Time: 8:30am

The Department of Utilities looks forward to working with the businesses and residents to deliver a successful infrastructure improvement project for the community.
